3. Further course dates will be promulgated as the dates become available. Educational qualifications will be required for courses involving commissioned branches and NCA. At all courses, cadets will be given the opportunity to attempt the RAF Fitness Test to check their own level of fitness; cadets applying for the PEd course should have a good level of fitness, a natural aptitude for sports and be in possession of the CSLA. Applications for courses should be submitted on the updated forms which can be found on BADER or requested from the undersigned.

4 Unfortunately for a variety of reasons I have been unable to secure courses for Movements Controller, Weapons Technician, Photographer and Information Systems Technician. I will continue to request for provision of courses as the situations progress. Dates and eligibility requirements for these courses will be announced when they are confirmed. Applications will not be accepted for undated courses.
